

CURRICULUM VITAE (CV)

Negin Fallah Haghighi

Associate Professor of Entrepreneurship and Agricultural Education
Department of Technology Development Studies (DTDS)
Research Institute of New Technology Development Studies (RINTDS)
Iranian Research Organization for Science and Technology (IROST)
Tehran, Iran.

First Name: Negin
Last Name: Fallah Haghighi
Birthday: Thursday, 28th August 1980
Place of Birth: Qazvin, Iran
Marital Status: Married
Children: One child
Language: Persian, English

Academic Email: nfallah@irost.ir
Current Email: fallahnegin@gmail.com
P.O. Box: 33535111, Postal Code: 3353136846
Tel: +98-2156276317 (2622)
Fax: +98-2156276317
Residence: Tehran, Iran
Citizenship: Iran

ORCID ID: 0000-0001-7828-1672
Scopus Author ID : 36910120400
Google Scholar ID : EBAKdMAAAAJ
Web of Science Researcher ID : AAQ-2612-2021

Educational Degrees and Courses

B.Sc.

Sep 1999 - Jun 2003

Graduated in Agricultural Extension and Education,
University of Tehran, Iran

M.Sc.

Sep 2004 - Jun 2006

Graduated in Agricultural Extension and Education,
University of Tehran

Title of Thesis: Factors Affecting the Use of Information
Technologies in Agricultural Extension in Guilan Province

Ph.D.

Sep 2006 - Sep 2011

Graduated in Agricultural Education and Entrepreneurship,
University of Tehran

Title of Dissertation: Designing and Determining an Appropriate
Model for Entrepreneurial Universities in Agricultural Higher
Education System of Iran

Research Experiences

- Principal investigator in “A comparative study of the design (model) of innovation and commercialization evaluation at the national level with developed countries (USA, South Korea, and Germany)”

Investor: Center for International Scientific Studies and Cooperation, Ministry of Science, Research and Technology, 2025

- Research project manager, "Development of international indicators for evaluating companies in the International Science and Technology Park of the Islamic Republic of Iran"

Investor: International Science and Technology Park of the Islamic Republic of Iran, 2024

- Principal investigator in “Pathology of established companies in science and technology parks”

Investor: Iranian Research Organization for Science and Technology (IROST), 2023

- Principal investigator in “Formulation of operational strategies to remove existing obstacles in knowledge-based companies”

Investor: Nafasyar Teb Company, 2023

- Principal investigator in "Effective drivers of commercialization of knowledge-based companies"

Investor: Parnian Gostar Prto Sanj Knowledge-Based Company, 2023

- Principal investigator in “Determining the Degree of Development of the Provinces in the Economic, Social, Cultural and Infrastructure Sectors”

Investor: Khuzestan Management and Planning Organization, 2021

- Principal investigator in “Strengths and weaknesses, threats and opportunities toward Iranian Research Organization for Science and Technology in setting up knowledge-based Companies by faculty members”

Investor: Iranian Research Organization for Science and Technology (IROST), 2018

- Principal investigator in “Pathology Study on the Development of Yazd Province (with an emphasis on Human Resources issues)”

Funding Organization: Jihad-daneshgahi of Yazd Province, 2017

- Principal investigator in “Identifying the components of entrepreneurship and employment in the field of information and communication technology”

Investor: Ministry of Information and Communication Technology (FAVA), 2016

- Principal investigator in “Investigation of the entrepreneurship components of the agricultural higher education system in the units of Region 5 of the Islamic Azad University”
Employer: Islamic Azad University, Boroujerd branch, 2013
- Principal investigator in international research project under title of “How Jonkoping University and International Entrepreneurship Academy (Intentac) act in the fields of Entrepreneurship, Innovation and Knowledge Economic”
Investor: Jonkoping University and International Entrepreneurship Academy (Intentac), 2010
- Principal investigator in international research project under title of “Incubation of New Companies”
Investor: Jonkoping University and International Entrepreneurship Academy (Intentac), 2010
- Principal investigator in “Evaluation of the effectiveness of extension activities in the central plan of wheat in the cities of Shiraz and Marovdasht in the second plan of development ”
Investor: Islamic Azad University, Boroujerd branch, 2007
- Principal investigator in “Investigating factors affecting the use of computers and the Internet by faculty members and students of Islamic Azad University, Boroujerd Branch”;
Investor: Islamic Azad University, Boroujerd branch, 2007
- Principal investigator in "Identification of governmental activities that can be assigned to the cooperative sector in Khuzestan province"
Employer: General Department of Cooperatives of Khuzestan Province, 2007
- Principal investigator in "Evaluation of the programs and activities of the Natural Resources Week"
Employer: Iran's Forests and Ranges Organization, 2004
- Collaborator of the national research project "Investigation of the role of local and state extension agents in increasing the productivity of the agricultural sector"
Employer: National Management and Planning Organization and University of Tehran, 2004

Executive Activities

- Dean of Research Institute of New Technology Development Studies (RINTDS), Iranian Research Organization for Science and Technology (IROST), 2024
- Head of Incubator of the Science and Technology Park, Iranian Research Organization for Science and Technology (IROST), 2024
- Head of Innovation and Entrepreneurship Research Group, Research Institute of New Technology Development Studies, Iranian Research Organization for Science and Technology (IROST), 2015-2023
- Deputy of Entrepreneurship Center, University of Tehran, 2012-2014.

- Member of International Entrepreneurship Academy (INTENTAC).
 - Member of expert Group of Technological Management of Khwarizmi Award, from 2013.
 - Visiting Instructor, University of Tehran, From 2011.
 - Member of Council of Agricultural Extension and Education of Iran.
 - Member of Scientific Council of Agricultural Extension and Education Department at University of Tehran.
 - Implementing an Exhibition by title of "Guilan Agriculture in the mirror of picture", in Agricultural Extension and Education Department, College of Agriculture, University of Tehran.
 - Active Contributing in Book Festival in the field of Agricultural Extension and Education, by presenting a book under title of " Introduction on Analyzing and Measuring Agricultural Extension Productivity", February, 2007, Agricultural Bank, Tehran, Iran.
 - Attending to the Round Table of "Health, Research and Entrepreneurship" Conference, releasing and presenting a lecture about" Cross-cultural Studies and Brain Circulation", held on 19th of October, 2009.
 - Contribution in Agricultural Education Congress of Iran in executive affairs (2010).
- I had a scholarship from Ministry of Science, Research and Technology (MSRT), Iran (2008).

The Area of Interests

- Sustainability Studies
- National, Regional Development Studies
- Entrepreneurship (Academic Entrepreneurship and Technological Entrepreneurship)
- Technology Management
- Transfer of Technology
- Innovation
- Science and Technology Parks
- Agricultural Extension and Education
- Agricultural Extension Productivity
- Social Studies in Agriculture
- Social Studies in Natural Resources and Environment
- Rural Development
- Rural Sociology
- Research Methodology (Qualitative and Quantitative Research Methods) in Social Studies
- Statistical Methods in Social Sciences (Especially with SPSS Software)
- Extension Teaching Methods
- E-Learning and Blended Learning in Agriculture

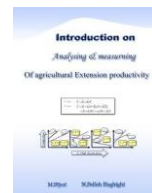

Honors

- First Grade student in B.Sc. in Agricultural Extension and Education (University of Tehran)
- First Grade student in M.Sc. in Agricultural Extension and Education (University of Tehran)

- Second Grade in Ph.D. in Agricultural Education and Entrepreneurship (University of Tehran)
- Professional in analyzing methods of humanities and social sciences

Books

- Translation of the book: “Canadian Organizational Behavior”, Translators: Dr. Reza Sepahvand and Dr. Negin Fallah Haghighi, Published by: Iranian Research Organization for Science and Technology (IROST), 2025
- Book Chapter: Sahra Mohammadi-Mehr, Masoud Bijani, Negin Fallah Haghighi, Zeynab Hallaj & Naser Valizadeh. (2023). Part-II: Resilience to climate Crisis in the Anthropocene; Chapter-XVI: Climate change and community resilience for sustainable development; Climate change and local communities’ adaptation and resilience for sustainable development.
- Book Chapter: Karimi, V., Bijani M., Hallaj, Z., Valizadeh N., Fallah Haghighi, N., and Karimi, M. (2021). Chapter 7: Adaptation and Maladaptation to Climate Change: Farmers’ Perceptions. Strategizing Agricultural Management for Climate Change Mitigation and Adaptation. Springer Nature Switzerland. ISBN: 978-3-031-32788-9.
DOI: 10.1007/978-3-031-32789-6
- Translation of the book: “Embracing Entrepreneurship Across Disciplines Ideas and Insights from Engineering, Science, Medicine and Arts”, Translators: Dr. Negin Fallah Haghighi and Dr. Masoud Bijani, Published by the Scientific and Industrial Research Organization of Iran, 2018
- Author of the book: “Technological Entrepreneurship (Concepts, Models and Experiences of Countries)”, Authors: Dr. Ghasem Ramezanpour Nargesi and Dr. Negin Fallah Haghighi, Published by the Scientific and Industrial Research Organization of Iran, 2017
- Bijani, M. and **Fallah Haghighi, N.** (2006). *Introduction on Analyzing and Measuring of Agricultural Extension Productivity*. Ebtikare Danesh press. 136 pages.

- Razavi, S. M, **Fallah Haghighi, N.** and Jafarzadeh, M. (2015). *Comparative Entrepreneurship, The UK, Japan and the shadow of Silicon Valley*. (Translation). University of Tehran Press, 230 pages.

- Author of the book: “National Innovation System in the Iranian Islamic Model of Progress”, Authors: Dr. Hojjatollah Haji Hosseini and Dr. Negin Fallah Haghighi, Published by the Iranian Islamic Model of Progress, affiliated, 2017

- Author of the educational booklet: Entrepreneurship and Business Skills for Improving the Livelihoods of Afghan Refugee Women (2016 and 2017), extracted from the joint project of the United Nations High Commissioner for Refugees and the Charity Foundation for Improving the Quality of Life of Iranians (ILIA), 2016
