Ibrokhim Abdurakhmonov

Minister of Innovative Development
Republic of Uzbekistan

Today, the economic, social, and political losses caused by the pandemic have once again raised the profile of science, innovation, and the scientific community.

We are interested in the development of innovation not only in Uzbekistan, but all over the world. Therefore, we invite all foreign countries, major investors, international organizations and friends to take an active part in the International Week of Innovative Ideas “InnoWeek-2021”.
