

Economic Cooperation Organization Science Foundation (ECOSF)

Ref: No. ECOSF/Misc/Trg/7
Dated: October 13, 2021

The ECO Science Foundation (ECOSF) presents its compliments to the Ministry of Science and Technology of Islamic Republic of Pakistan, ECO Secretariat and the Embassies of ECO Member States in Islamabad and has the honour to share that Ministry of Innovative Development of the Republic of Uzbekistan is going to organize “International Week of Innovative Ideas” from 22-27 November 2021. The Week will demonstrate the latest innovations, technologies and products in the field of science, high-technology and innovations as well as various events in these areas. InnoWeek.Uz is the premier event for local and foreign research centers, investment funds, technology agencies, technological parks and business incubators. A brochure the week is attached. For more details about the Week, please log on to: www.innoweek.uz.

The information is shared for onward circulation among the institutes, startups, companies, etc. working in the field of science, high technology and innovation for their participation.

The ECO Science Foundation avails itself of this opportunity to renew to the esteemed Ministry of Science and Technology of Islamic Republic of Pakistan, ECO Secretariat and the Embassies of ECO Member States in Islamabad, the assurances of its highest consideration.

- Ministry of Science and Technology (Focal Person ECOSF/JSA (IL), Government of Pakistan
- ECO Secretariat, Tehran-Iran
- The Embassies of ECO Member States in Islamabad
